

Mentor endorsement survey

Thank you for taking the time to endorse an applicant for the [2022 TLC Travel Award for Underrepresented Scholars](#).

This endorsement survey will take approximately 15 minutes to complete. Anything you share in this survey is confidential; the applicant will never see your responses. Please submit your responses by May 15, 2022 so that we may review them alongside the applicant's other materials. Thank you again for your time and candor.

Your name:

Your email address:

Your position:

Your university / organizational affiliation:

The name of the applicant who requested your endorsement:

How long and in what capacity have you known the applicant (e.g., as their course instructor or research mentor)?

How will this opportunity advance this applicant's academic/professional goals? (max 100 words)

We are interested in assessing certain skill domains that applicants may be unable to evaluate themselves but which are among those most critical to succeeding in the field. Please describe specific examples of when the applicant provided a uniquely insightful perspective on a given topic; thoughtfully synthesized disparate ideas; demonstrated independent development of novel ideas and critical thinking ability; and/or was conscientious and organized. (max 250 words)

How often does this applicant demonstrate extraordinary skill in the domains listed in the previous question?

- Never shows extraordinary skill in these domains
- Rarely shows extraordinary skill in these domains
- Sometimes shows extraordinary skill in these domains
- Regularly shows extraordinary skill in these domains
- Almost always shows extraordinary skill in these domains

To what extent do you recommend this applicant for this award?

- Do not know the candidate well enough to make a recommendation
- Do not recommend this applicant at all
- Somewhat recommend this applicant
- Highly recommend this applicant

Is there anything else we should know about the applicant when considering them for this award? (max 100 words)
