

Love Consortium Preconference Workshop
Wednesday June 19th and Thursday June 20th, 2019
Carleton University, Ottawa, Canada

Wednesday, June 19th, 2019, 6-8pm: [Bakers](#)

Join us for our kickoff event at [Bakers](#)! Come meet other researchers interested in the Love Consortium over heavy appetizers, finger food (i.e., light meal provided), and a cash bar.

Our goal for Thursday is to have great discussions and – once you know more about the Love Consortium – to work with one another to think about the future. To be transparent, that will work best if you have met one another first in a relaxed atmosphere!

We do have a couple of activities to help get us all thinking about themes that will come up on Thursday, so join us right at the start if you are in town. But if you're coming from out of town and can't get there right at 6, join us whenever you can! It will be great to see you.

Thursday, June 20th, 2019, 8:00am – 3:15pm: [Richcraft Hall](#)
